Flame Engineering, Inc. Receives Two Year Certificate of Recognition from SHARP Program

On October 22, 2003, Flame Engineering, Inc., in LaCrosse, Kansas, was again certified by the U.S. Department of Labor for another two years in the SHARP Program (Safety and Health Achievement Recognition Program). This prestigious award is given to companies which have outstanding safety records and employ exemplary safety and health programs that meet all current OSHA standard. The award also gives Flame Engineering, Inc. an exemption from any OSHA programmed inspections for the two year period.
